

UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF NEW YORK

Movant David Andrew Christenson

Civil Action No. 1:18-cv-03501

DEMOCRATIC NATIONAL COMMITTEE,

Racketeer Influenced and
Corrupt Organization Act (RICO)

Plaintiff,

v.

Judge John G. Koeltl

RUSSIAN FEDERATION, et al;
Defendants.

Memorial Day 2018

Memorial Day is one of the toughest days of my life every year. We honor those that died in combat but we don't honor those that have died and will die because of combat and just because they served in the US Armed Forces. 80% of Veterans that commit suicide were never in combat and 50% were never in theater. I want you to think about this: the US Army has 900 suicide programs and an anti-suicide nasal spray. More Soldiers and Veterans die each day (**EACH DAY**) by suicide than have died in any school shooting. Why are we not marching in the street?

A civilization ends when those that protect it die off because of neglect. This includes firemen, policemen and their family members.

Therapy and medications will not save our soldiers. They must be told the truth.

Attached are Pacer search results for: David Andrew Christenson. Each one of these cases is connected to the Genocide of our Soldiers, Veterans and family members that commit suicide. I have made a herculean effort to bring the truth to light for my fellow Veterans. The courts have told me they don't have jurisdiction or that I am not entitled to my Constitutional Rights. I am fighting for my country and Mankind.

Not one President has attended a memorial service for those Soldiers, Veterans and family members that have committed suicide. I find this reprehensible that the Commander and Chief will not protect his Soldiers. It was President George W. Bush that allowed the US Military to enter New Orleans knowing that they would be infected while he flew safely overhead.

Those that protect us have made the ultimate sacrifice and we did nothing to protect them.

One last fact. Of the soldiers that have been killed in the Middle East in the last 30 years over 50% died from friendly fire. That tells you the type of incompetent and gutless leadership that our military has.

Our Soldiers are expendable.

To you they are expendable.

Every day I pray for those that have taken the oath and every day I fail.

What do you think will happen when millions of combat veterans learn the truth?

We have to deal with this now and center the pendulum before we have Americans killing Americans.

Godspeed.

Sincerely,

David Andrew Christenson
